A Soprano on Her Head Dec 30 2022 Eloise Ristad deals here with complex problems which torment and cripple so many of our most creative and talented people, and she does so with compassion, wisdom, and wit. The problem of stage fright, for instance, is a suffering of epidemic proportions in our society, and involves modalities of thought and projections that rob spontaneity and enthusiasm in artistic performance. Those interested in creative education have long felt that an entirely new, holistic and nurturing process of allowing individuals to discover and express themselves is needed if our educational system is to avoid the neuroses and creative blocks of the past generation. This book illuminates through its conversational style the destructive inhibitions, fears, and guilt experienced by all of us as we fail to break through to creativity. This story is told to me day after day in conservatories and college campuses around the world. Indeed I felt at times that she was telling of my own most petty and debilitating fears. But what is important, *A Soprano on Her Head* supplies answers and methods for overcoming these universal psychological blocks--methods that have not only been proven in her own studio, but which trace back through history to the oldest and wisest systems of understanding the integration of mind and body. The work bears scrutiny both scientifically and holistically. - Foreword.

Diary of a Former Covidiot: Tales of panic buying, surviving and finding humour during the Coronavirus Pandemic Mar 21 2022 The Coronavirus or to use its hipper name, the Covid 19 pandemic has affected everyone across the globe, regardless of race, age, sex or religion. With an astute sense of observation, Christina Thé has been inspired by how people behave in times such as this. "Locked-up" at home for 56 days, she has written these pieces to cheer up her friends and business associates; and to counter all the gloom and doom that is in the news. Though the incidents are all based on real incidents that have happened, the characters have been slightly exaggerated, as this is after all, a book of humour. We can empathise and relate to her stories as it is how we all behave, or we know someone just like that, even if we refuse to publicly admit to such irrational actions. It is an entertaining work written with wit and humour.

The Soprano State Feb 26 2020 The Soprano State details the you-couldn't-make-this-up true story of the corruption that has pervaded New Jersey politics, government, and business for the past thirty years. From Jimmy Hoffa purportedly being buried somewhere beneath the end zone in Giants Stadium in the Meadowlands, through allegations of a thoroughly corrupt medical and dental university, through Mafia influence at all levels, to a governor who suddenly declares himself a "gay American" and resigns, the Garden State might indeed be better named after the HBO mobsters. Where else would: - A state attorney general show up after police pulled over her boyfriend who was driving without a valid license? - A state senator and mayor of Newark (the same guy) spend thousands of dollars of taxpayers' money on a junket to Rio days before leaving office? - A politically connected developer hire a prostitute to tape sex acts with his own brother-in-law and then send the tape to his sister? Only in the Soprano State.

Meanwhile a very different life, one raised in poverty and in violence, is beginning its own malign orbit around Heather. Matthew Weiner - the creator of Mad Men - has crafted an extraordinary first novel of incredible pull and menace. Heather, The Totality demonstrates perfectly his forensic eye for the human qualities that hold modern society together, and pull it apart.

Like a Soprano Mar 29 2020 After the death of James Gandolfini in the summer of 2013, David Starkey decided to pay poetic homage to The Sopranos TV series and its star. Never before has an entire television program received such close attention from a serious poet: this is a landmark in the crossover between poetic and popular culture.

Follow the advice of Artie Bucco, proprietor of the renowned Nuovo Vesuvio restaurant in Newark, New Jersey: "If you have steak, a `big' meat dish, think of a `big' red wine like a California Burgundy. I guess you could match it with a big white wine, too, but I don't know of any big white wines." Want to surprise with a birthday gift? Model yours after what Carmela plans on giving her husband, waste management executive Tony Soprano, on his fiftieth: a Dean Martin impersonator, an outdoor screening of his favorite film, *The Public Enemy*, starring James Cagney, and a monogrammed putter. (But no ritzy watch. He has a dozen of them.) Planning a wedding? Find inspiration in the vision of Carmela's sister-in-law, Janice Soprano Baccileri: "As guests enter a cathedral of pines, they would pass an ancient wishing well where they could deposit small presents or deep thoughts about life and love. Ideally, I would love for the whole ceremony to be done in the nude, but unfortunately, the time for that kind of pagan openness has long passed." Flustered by funerals? Heed the wise suggestions for his own wake from Tony's Uncle Corrado "Junior" Soprano: "A lot of food, no crap, a lot of homemade Bucassi vino, a nice speech from Bobby Bacala, since he was always the nicest to me of all those bums, and me singing like Caruso on the Victrola." In Carmela's words: "What's closer to a celebration of life than celebrations? Look for them, jump into them, charger plates and all, and have a ball."
