Has the Messiah been robbed? Supernatural visitations. Divine time travel. An age-old cover up. In the middle of it all: One man miraculously transformed by Yeshua. In an instant, David went from being a skeptical Jewish columnist to a desperate seeker of Truth. The catalyst was an angelic visitation—a moment that marked him forever. David's quest spans numerous philosophies and religions, culminating with the Person of Yeshua – Jesus the Messiah. He is plummeted into a vigorous spiritual tug of war. Part

of him is intrigued and fascinated by the Messiah, while another is plagued by guilt. How could a Jewish person like himself believe in Yeshua considering all the horrific acts that have been done to his ancestors in His name? Author Ron Cantor, a gifted story-teller and authority on the Jewish Roots of the New Testament, takes you on an unforgettable tour of history as an angel supernaturally escorts David through the halls of time. You will soon discover that though atrocities have been committed in the name of Yeshua, the greatest crime of all may be against the Messiah Himself... a crime of identity theft. Long maligned as a prostitute or a woman of questionable reputation, Mary Magdalene's murky story seems lost to the sands of time. Now a portrait of this enigmatic woman comes to life in the hands of an imaginative master storyteller. Diana Wallis Taylor's Mary is a woman devastated by circumstances beyond her control and plagued with terrifying dreams--until she has a life-changing confrontation with the Savior. Lovers of historical and biblical fiction will find this creative telling of Mary's story utterly original and respectful as it opens their eyes to the redeeming work of Christ in the lives of those who follow him.

Heart of Evil A year has passed since the end of the Gallic rebellion of Sacrovir and Florus. Retribution has been exacted and the province is at peace once more. And yet there are some who escaped Rome's justice. They are led by a man whose heart burns with hate; an heir to rebellion. Knowing that there can be no victory against the legions; his vengeance can only be wrought through terror and murder. The Gallic city of Lugdunum will be the first to taste his wrath. The city of Lugdunum flourishes; the Twentieth Legion's Third Cohort having been stationed within the city since the end of the Sacrovir Revolt. For Centurion Proculus and his legionaries their comfortable assignment will soon come unraveled as a series of grisly murders looks to upset the order of the city. Sergeant Artorius inadvertently finds himself at the center of the search to find these mysterious killers before they undermine the city's faith in the protection of the legions; a search that will lead him on a journey into the darkest corners of what lurks in a broken man's wicked soul.

Arriving in Hollywood in 1950 to launch her American film career, Jean Simmons

(1929-2010) had already appeared in 18 British films and was best known for her portrayal of Ophelia in Laurence Olivier's Hamlet. She soon became a favorite female face working with some of filmmaking's greats and acted opposite many Hollywood A-listers. Two of her most popular films--Guys and Dolls (1955) and Spartacus (1960)--were international box-office hits, and in her seven decades-long career she collected numerous awards and honors including a Golden Globe, an Emmy, and two Oscar nominations as Best Actress. Despite the accomplishments and accolades, radiant beauty, and stunning versatility, Simmons is considered by many to be an underrated artist, too often handed more comfortable leading female roles than those that could've elevated her to the level of super stardom experienced by some of her peers. This, the first full-length biography of Simmons, fills a gap in film and performing arts studies, and includes extensive notes and photographs. One of the most well-known and loved stories of Jesus's ministry is the encounter with the Samaritan woman at Jacob's well. Now the creative mind of Diana Wallis Taylor imagines how the Samaritan woman got there in the first place. Marah is just a girl of thirteen when her life is set on a path that will eventually lead her to a life-changing encounter with the Messiah. But before that momentous meeting she must traverse through times of love lost and found, cruel and manipulative men, and gossiping women. This creative and accurate portrayal of life in the time of Jesus opens a window into a fascinating world. Taylor's rich descriptions of the landscapes, lifestyles, and rituals mesh easily with the emotional and very personal story of one woman trying to make a life out of what fate seems to throw at her. This exciting and heartwrenching story will fascinate readers and lend new life to a familiar story. One of the best-selling titles of the 1940s, 'The Robe' is a historical novel written by Lloyd C. Douglas. The book is about the Crucifixion of Jesus. It was first published in the year 1942. All of Lloyd C. Douglas' novels, essays, and short stories relied on his spiritual background for thematic and creative inspiration. At the height of his popularity, Douglas was receiving on average 100 letters a week from fans. One of these letters provided the inspiration for 'The Robe'. The Gospel of the

King of the Jews brings to life the characters and their background in a modern version of 'the greatest story ever told'. It depicts Judas as a simple shepherd, who is tricked by the High Priests into leading them to his Master. This fascinating portrayal, separating the Christ of faith from the Jesus of history, is founded on vast erudition and thorough scholarship of the Jewish, Christian, Roman and Greek milieu. It will stimulate and excite all those genuinely interested in Jesus and his life and times. Claudia's life did not start easily. The illegitimate daughter of Julia, reviled and exiled daughter of Caesar Augustus, Claudia spends her childhood in a guarded villa with her mother and grandmother. When Tiberius, who hates Julia, takes the throne, Claudia is wrenched away from her mother to be brought up in the palace in Rome. The young woman is adrift--until she meets Lucius Pontius Pilate and becomes his wife. When Pilate is appointed Prefect of the troublesome territory of Judea, Claudia does what she has always done: she makes the best of it. But unrest is brewing on the outskirts of the Roman Empire, and Claudia will soon find herself and her beloved husband embroiled in controversy and rebellion. Might she find peace and rest in the teaching of the mysterious Jewish Rabbi everyone seems to be talking about? Readers will be whisked through marbled palaces, dusty marketplaces, and idyllic Italian villas as they follow the unlikely path of a woman who warrants only a passing mention in one of the Gospel accounts. Diana Wallis Taylor combines her impeccable research with her flair for drama and romance to craft a tale worthy of legend. Big Screen Rome is the first systematic survey of the most important and popular films from the past half century that reconstruct the image of Roman antiquity. The first systematic survey of the most important and popular recent films about Roman antiquity. Shows how cinema explores, reinvents and celebrates the spectacle of ancient Rome. Films discussed in depth include Stanley Kubrick's Spartacus, Ridley Scott's Gladiator and Terry Jones's Monty Python's Life of Brian. Contributes to discussions about the ongoing relevance of the classical world. Shows how contemporary film-makers use recreations of ancient history as commentaries on contemporary society. Structured in a way that

makes it suitable for course use, and features issues for discussion and analysis, and reference to further bibliographic resources. Written in an energetic and engaging style. It has been three years since the wars against Arminius and the Cherusci. Gaius Silius, Legate of the Twentieth Legion, is concerned that the barbarians-though shattered by the war-may be stirring once again. He also seeks to confirm the rumors regarding Arminius' death. What Silius does not realize is that there is a new threat to the Empire, but it does not come from beyond the frontier; it is coming from within, where a disenchanting nobleman looks to sow the seeds of rebellion in Gaul. Legionary Artorius has greatly matured during his five years in the legions. He has become stronger in mind; his body growing even more powerful. Like the rest of the Legion, he is unaware of the shadow growing well within the Empire's borders, where a disaffected nobleman seeks to betray the Emperor Tiberius. A shadow looms; one that looks to envelope the province of Gaul as well as the Rhine legions. The year is A.D. 20. It's been thirty years since he sentenced the troublemaker to die, but Pontius Pilate can't get Jesus out of his mind. . . . Forced to live out his life in exile, Pontius Pilate, the former governor of Judea, is now haunted by the executions that were carried out on his orders. The life and death of a particular carpenter from Nazareth lay heavily on his mind. With years of solitude stretched out before him, Pilate sets out to uncover all he can about Jesus—his birth, boyhood, ministry, and the struggles that led to his crucifixion. With unexpected wit and candor, Pilate reveals a unique, compelling picture of Jesus that only one of his enemies could give. In a vibrant, inventive, completely engaging novel that places Jesus and his teachings in a wonderfully accurate historical setting, James R. Mills has created nothing less than a new gospel that illuminates the beginnings of Christianity from an astonishing and unexpected point of view. An examination of ordained women and those that failed to achieve ordination exposes the sexism, both subtle and overt, that women face on their path to ministry and suggests ways in which the church can overcome this inequality. Great books in the genre of fiction on historical background of the events of evangelical times appear very rarely. We can recall just only "Quo Vadis by Henryk Sienkiewicz, "Silver Bowl" by Thomas Costain, "Barabbas" by M. Corelli, "Judas" by T. Gedberg or the "Commission for the cause of Christ" by A. Mandino. "The Story of the Apostles ..." can be attributed to this sort of fiction - I can say this without false modesty:) This book is a fascinating set out of the canonical Book of the New Testament "The Acts of the Apostles," - in the expanded by me version of those events of evangelical times. Let us recall that the canonical book of the New Testament, "The Acts of the Apostles" (lat. Actus Apostolorum or Acta Apostolorum) tells about the events that took place immediately after the events of the Gospel. Traditionally it is believed that its author

was Luke the Evangelist (author of the third Gospel too). Acts begins with a description of the Ascension (by which ends the Gospel of Luke). "The Acts of the Apostles" is the only book of the New Testament, which has the character of historical chronicles. Among the other New Testament books, it stands also as an unusually wide geography of the action - from Jerusalem up to Rome, and with a large number of persons, many of whom certainly are historical persons and are mentioned in other historical sources. "The Story about the Apostles, Pontius Pilate and Simon Magus" - the story about the same events on behalf of the young Roman Remy Otton, who by chance has witnessed and participated in many events of that time in Jerusalem. If canonical "Acts of the Apostles" occupy a volume of about 40 pages, in the "The Story of the Apostles ..." almost 200 pages (180 in eBook format on Amazon.com). All events of "Acts of the Apostles" are set out in my book in much more detail, and, as expected in fiction, with fascinating detective story, which at the same time, I believe, does not contradict to the book of the New Testament - and at the same time it is making more understandable some mysterious pages of this canonical book of St. Luke. Many pages of my book are devoted not only to the Christian issues, but also to Zoroastrianism, the Essenes, and, in part, to Buddhism. The plot of the book is also associated with the "special service" of Pontius Pilate in Judea; one of the protagonists throughout the story - an officer of the secret service of Aphranus (the same, who was described in "Master and Margarita" by Mikhail Bulgakov). At first (in 1999), my book "The Story about the Apostles, Pontius Pilate, and Simon Magus," was published by the publishing house "Art of St. Petersburg," a small circulation, and since then has not been republished. The book, I think may be of interest to anyone interested in Christianity, Zoroastrianism, Buddhism, Judaism, as well as for all fans of the adventure genre *** The English edition had been divided by me into two parts for the convenience of readers. The first part of the book (Part I. Jerusalem. The Apostles and Pontius Pilate) describes the events in Jerusalem, from the Ascension of Jesus Christ (on the fortieth day after His Resurrection), and till the spring of next year. The second part

(Part II. Samaria. The Apostles and Simon Magus) describes events in Samaria, including those related to Simon Magus. I apologize in advance for my very imperfect English. You can find on Amazon also the complete edition of this book in Russian under the title The Story of the Apostles, Pontius Pilate, and Simon Magus): (in Russian) (in one volume). "Using their knowledge of how stories work, Dunn and Bubeck compare the gospel stories of the Bible to Brown's myths. They show that the two worldviews are worlds apart."--Inside jacket cover. An essential part of Christian orthodoxy is the belief that Jesus died at a particular point in human history. But it is not that Jesus died that has caused Christians to grapple with their understanding of faith; it is why he died that creates the struggle. For centuries Christian thinkers have wrestled with the concept of the atonement. How the death of Jesus would result in the reconciling of the world to God is no simple puzzle. Yet, this complex topic is often viewed through certain doctrinal filters that reduce the richness of the atonement into single concrete, culturally based images. The New Testament, however, offers multiple metaphors in describing the atoning work of God in Christ. Returning to the stories of the earliest witnesses to Jesus' life, death, resurrection, and ascension--the ground zero of our faith--offers the opportunity to suspend, if only briefly, our doctrinal preferences and step into the shoes of those who saw Jesus die and later return to them as their resurrected Lord. In doing so, we open the possibility of seeing the atonement with fresh eyes, recognizing the broad reach of God's love and learning to communicate that love in new ways. In *The Archive and the Repertoire* preeminent performance studies scholar Diana Taylor provides a new understanding of the vital role of performance in the Americas. From plays to official events to grassroots protests, performance, she argues, must be taken seriously as a means of storing and transmitting knowledge. Taylor reveals how the repertoire of embodied memory—conveyed in gestures, the spoken word, movement, dance, song, and other performances—offers alternative perspectives to those derived from the written archive and is particularly useful to a reconsideration of historical processes of transnational contact. *The Archive and the Repertoire* invites a remapping of the Americas based on traditions of embodied practice. Examining various genres of performance including demonstrations by the children of the disappeared in Argentina, the Peruvian theatre group Yuyachkani, and televised astrological readings by Univision personality Walter Mercado, Taylor explores how the archive and the repertoire work together to make political claims, transmit traumatic memory, and forge a new sense of cultural identity. Through her consideration of performances such as Coco Fusco and Guillermo Gómez-Peña's show *Two Undiscovered Amerindians Visit . . .*, Taylor illuminates how scenarios of discovery and conquest haunt the Americas, trapping even those who attempt to dismantle them. Meditating on events like those of September 11, 2001 and media representations of them, she examines both the crucial role of performance in contemporary culture and her own role as witness to and

participant in hemispheric dramas. The Archive and the Repertoire is a compelling demonstration of the many ways that the study of performance enables a deeper understanding of the past and present, of ourselves and others. San Francisco based Investigative reporter Jake Fleming has a problem: Desmond Lewis, a Professor of English Literature and an old friend of his from London has vanished, en-route to a talk at the University of California in Berkeley about a new book promising shocking revelations. He never arrives. When a rented car is found parked on the Golden Gate Bridge with Lewis's travel bag in the trunk, the police deem it a suicide. Jake doesn't believe that for a minute, and convinces his newspaper, The San Francisco Tribune, to sponsor a trip to London to investigate. When Jake arrives, he discovers Lewis's office and apartment have both been ransacked. Any evidence of a new book is gone: no manuscripts, no flash drives, nothing. The only remaining clue is a list of brief words or abbreviations. Their meaning escapes him, but it's all he has. Introduction by Simon Franklin; Translation by Michael Glenny "From the Hardcover edition." Martha, the sister of Mary and Lazarus, devotes herself to caring for her family, is abandoned by her betrothed, is drawn to a Roman soldier, and finds meaning and grace in her life when she meets the Teacher. Soon after film came into existence, the term epic was used to describe productions that were lengthy, spectacular, live with action, and often filmed in exotic locales with large casts and staggering budgets. The effort and extravagance needed to mount an epic film paid off handsomely at the box office, for the genre became an immediate favorite with audiences. Epic films survived the tribulations of two world wars and the Depression and have retained the basic characteristics of size and glamour for more than a hundred years. Length was, and still is, one of the traits of the epic, though monolithic three- to four-hour spectacles like *Gone with the Wind* (1939) and *Lawrence of Arabia* (1962) have been replaced today by such franchises as the Harry Potter films and the Lord of the Rings trilogy. Although the form has evolved during many decades of existence, its central elements have been retained, refined, and modernized to suit the tastes of every new generation. The Encyclopedia of Epic

Films identifies, describes, and analyzes those films that meet the criteria of the epic—sweeping drama, panoramic landscapes, lengthy adventure sequences, and, in many cases, casts of thousands. This volume looks at the wide variety of epics produced over the last century—from the silent spectacles of D. W. Griffith and biblical melodramas of Cecil B. DeMille to the historical dramas of David Lean and rollercoaster thrillers of Steven Spielberg. Each entry contains: Major personnel behind the camera, including directors and screenwriters Cast and character listings Plot summary Analysis Academy Award wins and nominations DVD and Blu-ray availability Resources for further study This volume also includes appendixes of foreign epics, superhero spectaculars, and epics produced for television, along with a list of all the directors in the book. Despite a lack of overall critical recognition and respect as a genre, the epic remains a favorite of audiences, and this book pays homage to a form of mass entertainment that continues to fill movie theaters. The Encyclopedia of Epic Films will be of interest to academics and scholars, as well as any fan of films made on a grand scale. One of the great heroines of the Old Testament, Hadassah was a beautiful, graceful young woman who put her faith in God and her guardian, her cousin Mordecai. She dreams of marrying Shamir, a tall, handsome, studious young man who is the rabbi's son. Her heart beats faster when she hears the sound of his deep voice as he reads the Torah. And she hopes that he will visit Mordecai soon to present a betrothal request. Then, an upheaval in King Xerxes's palace changes everything. Queen Vashti has been banished and an edict goes out for all qualified young virgins throughout the empire to be taken to the palace as he searches for a new queen. Fear strikes in the hearts of many, including Mordecai, as he realizes Hadassah will be taken. To hide her identity as a Jew, he tells her to go by the name of Esther. Since he works as a record-keeper at the king's gates, he can keep tabs on how she is doing. Hadassah: Queen Esther of Persia imagines what life was like for the woman who saved her people—and perhaps found love in the process. With his rugged features and earthy sex appeal, Victor Mature ushered in a new breed of postwar Hollywood actor, far

removed from the debonair matinee idols of the 1930s. Following success as an upbeat leading man in the early 1940s Fox musicals, opposite the likes of Betty Grable and Rita Hayworth, he went on to deliver two of his most powerful performances in *My Darling Clementine* (1946) and *Kiss of Death* (1947). But it was in the biblical epics such as *Samson and Delilah* (1949), *The Robe* (1953) and *Demetrius and the Gladiators* (1954) that his heartfelt acting and statuesque, larger than life screen presence finally secured his place as a Hollywood icon. Beginning with a concise biography, this work covers Mature's film career in its entirety, featuring synopses, anecdotes from cast and crew, and review commentary. *Quiver Full of Arrows* is a collection of twelve exciting short stories from bestselling author, Jeffrey Archer. Two friends fall under the spell of a New York beauty – with an unexpected outcome. A casual remark is taken seriously by a Chinese sculptor, and the British Ambassador becomes the owner of a priceless work of art. An insurance claims adviser has a most surprising encounter on the train home to Sevenoaks. This marvellous collection of twelve stories ends with a hauntingly written, atmospheric account of two undergraduates at Oxford in the 1930s, a tale of bitter rivalry that ends in a memorable love story.
