**The Boat Improvement Bible** Jan 17 2022 The Boat Improvement Bible is the most up to date, user friendly and hands-on practical manual for boatowners who wish to improve their sailboat or

motorboat. It will equip any boatowner with average DIY skills to improve all aspects of their boat: safety, comfort, facilities, storage and performance on the water. Many of these projects will also help increase a boat's value. Projects include: installing a heating system, installing hot water and a shower, increasing water tank size, making the heads electric, installing air conditioning or better ventilation, setting up solar or wind power charging for the batteries, fitting a generator, adding a gas alarm, installing interior lighting, adding a bathing platform or boarding ladder, plus much, much more. Packed with exploded diagrams, helpful step-by-step photographs and detailed guidance, *The Boat Improvement Bible* provides a wealth of DIY expertise and advice to enable anyone to improve their yacht or motorboat. With this book to hand, you'll never need to call in the experts!
