Hearts to God Sep 13 2021 20,000 word romance novella from best selling author Traci Tyne Hilton Orphaned as an infant, Madeline Snow grew up in the Shaker community--the perfect place to learn reverence, hard work, and a love for God that surpasses the need for an earthly family. But the difference between what the Bible says and what the Shakers taught was too much for Madeline, so when she came of age, she left the safety of her home for a new life with her much older sister. Madeline had been trained to grow herbs and make medicine by the best herbalists in her community, but in the wild Oregon Outback finding a husband is the only proper occupation for a single lady. Madeline left the Shaker community, but her devotion to God and the principle of celibacy, are unchanged. Finding a husband to direct her life

is her last priority. But her sister and guardian is just as stubborn as Madeline. Madeline will marry, whether she wants to or not.

Unfortunately for Madeline, finding a husband isn't simply a matter of falling in love. Some men are off limits, no matter how they make your heart thunder.

Mar 07 2021 What if the genetically engineered crops that we increasingly depend on for food weren't really created by man? What if they brought a new, terrifying meaning to the old saying that "you are what you eat"? FBI Special Agent Jack Dawson investigates the gruesome murder of his best friend and fellow agent who had been pursuing a group of eco-terrorists. The group's leader, Naomi Perrault, is a beautiful geneticist who Jack believes conspired to kill his friend, and is claiming that a major international conglomerate developing genetically engineered crops is plotting a sinister transformation of our

world that will lead humanity to extinction. As Jack is drawn into a quietly raging war that suddenly explodes onto the front pages of the news, he discovers that her claims may not be so outrageous after all. Together, the two of them must face a horror Jack could never have imagined, with the fate of all life on Earth hanging in the balance...

Anxiety and Depression in the Classroom: A Teacher's Guide to Fostering Self-Regulation in Young Students Nov 22 2019

Guidance for teachers on two pressing problems in student mental health. Anxiety and depression are two of the most common mental health problems for young students, and can be particularly hard to detect and support. In this book, the first of its kind for teachers, Nadja Reilly lays out with richly detailed examples the signs to look for so educators can direct their students to help and ensure emotional wellness in the classroom. Grounded in recent psychological research and practical self-regulation tools, Reilly opens her study out onto nourishing emotional wellness in all students, communicating with parents, and schoolwide mental health advocacy.

My Last Continent Oct 02 2020 This unforgettable debut, set against the dramatic Antarctic landscape, is "refreshingly different, vivid and immediate. Midge Raymond has an extraordinary gift for description that puts the reader bang in the middle of its dangerous and endangered world" (M.L. Stedman, New York Times bestselling author of *The Light Between Oceans*). It is only among the glacial mountains, cleaving icebergs, and frigid waters of Antarctica that Deb Gardener and Keller

Sullivan feel at home. For a few blissful weeks each year they study the habits of Emperor and Adelie penguins and find solace in their work and in one another. But Antarctica, like their fleeting romance, is a fragile place, imperiled by the world to the north. Each year, Deb and Keller play tour guide to the passengers on the small expedition ship that ferries them to their research station. But this year, when Keller fails to appear on board, Deb begins to reconsider their complicated past and the uncertainty of any future they might share. Then, shortly into the journey, Deb's ship receives an emergency signal from The Australis, a cruise liner that has hit desperate trouble in the ice-choked waters of the Southern Ocean. Soon Deb's role will change from researcher to rescuer; among the crew of that sinking ship, Deb learns, is Keller. As Deb and Keller's troubled histories collide in this "original and entirely authentic love story" (Graeme Simsion, author of *The Rosie Project*), Midge Raymond takes us on an unforgettable

voyage deep into the wonders of the Antarctic and the mysteries of the human heart. My Last Continent is "a sensitive exploration of how the smallest action can ripple through an ecosystem—seemingly impenetrable, but as fragile as the human heart" (The Minneapolis Star-Tribune). "Atmospheric and adventurous...The story and vivid writing will keep readers glued to the pages" (Library Journal).

Can Mitzy and her team get the inn off the ground, or will a tram to nowhere derail all of Mitzy's plans?

Appraisal for Murder Oct 14 2021 Jolie Gentil moves to Great Aunt Madge's bed and breakfast at the Jersey shore, taking her cat Jazz, and joining Madge's pair of prune-eating dogs. Jolie does not view this as a retreat from her embezzling ex-husband, just a smart change. She had no idea her life was about to get even more complicated. Jolie finds work as a real estate appraiser, but a low-life named Joe Pedone demands that Jolie repay some of her husband's gambling debts and she runs into Michael Riordan, her high school crush. She's not sure which one is more trouble. Jolie appraises his mother's house and finds his

mother dead in bed. Soon the mundane work of appraising real estate and dodging suggestions that she go to the ten-year high school reunion are mixed with calls from reporters, scary suggestions from Pedone, and requests that she help the local busybody with First Presbyterian's social services work. Jolie balances her fear of Pedone, conviction that Michael is innocent, and sometimes uneasy friendship with long-ago friend Scoobie.

Five Days that Shocked the World Jul 31 2020 April 1945. The mutilated bodies of Mussolini and his mistress hang by their heels in Milan while a hostile crowd whistles and jeers. Desperate to avoid the same fate, Adolf Hitler leaves orders for his own body to be burned after his death. With the Russian Army closing in on Berlin and his world crashing in to flames, Germany's doomed leader would never allow his enemies the satisfaction of desecrating his corpse. This is the story of an immensely exciting few days, but it is also a snapshot of the

whole world at the end of an extraordinary week. Nicholas Best tells a compelling tale of the men and women from all around the world who experienced the final chaotic days of World War II. Fast-paced, at times brutal and at others poignant, this page-turner of a book recreates the dying days of the Axis powers as the Allied armies closed in on Berlin.

Killer Calling Jul 23 2022 Newlywed Jane Adler has been waiting her whole life to be a missionary. But heading to Mexico to keep her eye on a rebellious heiress and her rock star boyfriend isn't what Jane had in mind, even if the cover story involves working at an orphanage. And to make matters worse, when Jane arrives she finds more than adorable orphans. This mission field has a little murder problem. -- "This is a tricky one." Flora handed Jane a slim file folder. "The client is panicking." Jane sat across from Flora in the cluttered office of the Senior Corps of Retired Investigators. Driving rain from the day's storm smeared the drafty window. The heater had clicked on moments before with the dusty but cozy odor shared by all old buildings. She pulled her sweater a little tighter and opened the folder. It held a one-page dossier and an itinerary from Travelocity. At first glance, she

saw nothing shocking. "What's the problem?"
"Teenagers."

Hollywood Highbrow Sep 20 2019 Today's moviegoers and critics generally consider some Hollywood products--even some blockbusters--to be legitimate works of art. But during the first half century of motion pictures very few Americans would have thought to call an American movie "art." Up through the 1950s, American movies were regarded as a form of popular, even lower-class, entertainment. By the 1960s and 1970s, however, viewers were regularly judging Hollywood films by artistic criteria previously applied only to high art forms. In Hollywood Highbrow, Shyon Baumann for the first time tells how social and cultural forces radically changed the public's perceptions of American movies just as those forces were radically changing the movies themselves. The development in the United States of an appreciation of film as an art was, Baumann shows, the product of large changes in

Hollywood and American society as a whole. With the postwar rise of television, American movie audiences shrank dramatically and Hollywood responded by appealing to richer and more educated viewers. Around the same time, European ideas about the director as artist, an easing of censorship, and the development of art-house cinemas, film festivals, and the academic field of film studies encouraged the idea that some American movies--and not just European ones--deserved to be considered art.

Killer Heels Sep 25 2022 One woman wants Jane to prove her sister-in-law is a "prostitution whore"--a simple enough job for a detective worth her salt. But not so simple when following the accused leads to a man with the heel of a very expensive shoe shoved through his eye. It's a good thing Jane has gone pro and has the combined wisdom of her detective mentors Rocky and Flora Wilson to rely on, because this job is one for the books.

Buyer's Remorse Oct 26 2022 Mitzy Neuhaus had an easier time selling her condo before the mystery buyer "bought it" on her patio. Mitzy stumbled over the body and knew she had to get involved in the case-if only because the corpse was a dead ringer for herself. At first it seemed like a clear case of mistaken identity and Mitzy feared the Mafia wasn't done with her yet. But digging into the life of the dead buyer uncovered a peculiar little dress shop where nothing added up. Can Mitzy untangle the mystery before she ends up with her own case of buyer's remorse?

Assault and Batting May 29 2020 When her mom dies unexpectedly, Taylor Quinn drops her life in the city to seek out exactly what happened. But in doing so, Taylor finds herself tangled in a mess of secrets, envy, and small town gossip that threatens to unravel the family she loves.

Dirty Little Murder Feb 18 2022 College student and housekeeper Jane Adler dreams of

being a missionary but the road there is littered with corpses. Jane found the most recent body floating in the hot tub at her newest client's house. The dead guy was a notorious flirt and carouser. Had his romantic shenanigans gotten him killed? Cleaning up a murder was bad enough, but Jane's love life was a mess too. Usually absence makes the heart grow fonder, but her boyfriend Isaac's overseas teaching job seems to be driving them apart. On top of it all she's been hand selected by her church as a candidate for one of their few fully funded missionary support positions. But can she solve a murder, keep her boyfriend, and follow her dream all at the same time?

Fate's Past Apr 27 2020 FATE'S PAST is the story of a couple, Cameron Harrison and Carrie Fields. While driving in rural Louisiana, Cameron and Carrie notice that their environment has changed--a faint cloud distorts the empty road, the clocks blink "00:00," and a feeling of lifelessness creeps through their veins.

For miles, they do not see any other cars, animals, or people. Then their experiences splinter. Carrie hears sounds that Cameron cannot hear. Cameron sees things that Carrie cannot see. As Cameron and Carrie wander through the unfamiliar landscape, they are literally hunted by their biggest regrets, forcing the two to separate. And in confronting their regrets, Carrie and Cameron must come to grips with who they were in order to escape their suffering, find one another, and take the next step in their journey together.

Render Unto Rome Jun 10 2021 AN
INVESTIGATION OF EPIC FINANCIAL

INTRIGUE, RENDER UNTO ROME EXPOSES THE SECRECY AND DECEIT THAT RUN COUNTER TO THE VALUES OF THE CATHOLIC CHURCH. The Sunday collection in every Catholic church throughout the world is as familiar a part of the Mass as the homily and even Communion. There is no doubt that historically the Catholic Church has been one of the great engines of charity in history. But once a dollar is dropped in that basket, where does it go? How are weekly cash contributions that can amount to tens of thousands of dollars accounted for? Where does the money go when a diocese sells a church property for tens of millions of dollars? And what happens when hundreds of millions of dollars are turned over to officials at the highest ranks, no questions asked, for their discretionary use? The Roman Catholic Church is the largest organization in the world. The Vatican has never revealed its net worth, but the value of its works of art, great churches, property in Rome, and stocks held

through its bank easily run into the tens of billions. Yet the Holy See as a sovereign state covers a mere 108 acres and has a small annual budget of about \$280 million. No major book has examined the church's financial underpinnings and practices with such journalistic force. Today the church bears scrutiny by virtue of the vast amounts of money (nearly \$2 billion in the United States alone) paid out to victims of clergy abuse. Amid mounting diocesan bankruptcies, bishops have been selling off whole pieces of the infrastructure—churches, schools, commercial properties—while the nephew of one of the Vatican's most powerful cardinals engaged in a lucrative scheme to profiteer off the enormous downsizing of American church wealth.

Health Wealth and Murder Apr 20 2022
Popular prosperity preacher Josiah Malachi teaches that God will make us healthy and wealthy, so why did he just drop dead with a knife in his back? Jane Adler, housecleaning college student with dreams of foreign missions,

is tired of solving crimes by accident, so she's enrolled in criminology classes at Portland State University. Getting the gig as house cleaner for the Malachi family is the perfect opportunity to put theory to the test. Things aren't easy at home, either. Her small group leader is pestering her to marry her boyfriend Jake, but Jake has been growing distant. And if she doesn't get her amateur detective agency into city licensing compliance, the Malachi case may be her last one. Josiah Malachi's teaching might not have been Jane's cup of tea, but her future hangs on solving his murder.
