One of the most time-consuming tasks in clinical medicine is seeking the opinions of specialist colleagues. There is a pressure not only to make referrals appropriate but also to summarize the case in the language of the specialist. This book explains basic physiologic and pathophysiologic mechanisms of cardiovascular disease in a straightforward manner, gives guidelines as to when referral is appropriate, and, uniquely, explains what the specialist is likely to do. It is ideal for any hospital doctor, generalist, or even senior medical student who may need a cardiology opinion, or for that matter, a veterinarian. Originally privately published by the author in 1924, (as *The Up-to-Date Pekingese and All Other Toy Dogs*) followed by a later revised and updated issue, this extremely scarce book on Toy Dogs is both expensive and hard to find in any edition. VINTAGE DOG BOOKS have republished the revised edition, using the original text and photographs, as part of their CLASSIC BREED BOOKS SERIES. The author was a much respected breeder and show winner, with her Ashton-More Pekingese kennels producing numerous Champions. Her book contains two hundred and ninety pages covering all aspects of the Toy Dog. Many detailed chapters cover the History, Points, and Standards of the following breeds: Griffon Bruxellois - Italian Greyhounds - Japanese - Maltese - Pekingese - Pugs - Pomeranians - Schipperkes - Toy Spaniels - Toy Terriers -

Yorkshire Terriers - Other Comprehensive Chapters discuss: Breeding. Exhibiting. Feeding. Rearing. Nursing. Grooming. Whelping. Diseases and Treatment. Breeders Directory. Pekingese Names. Etc. The contents are lavishly illustrated with numerous vintage photographs of famous Toy Dogs from all the breeds, and also includes advertisements for many early top breeders and their kennels. This is a fascinating read for any Toy Dog enthusiast or historian of the breeds., but also contains much information that is still useful and practical today. Many of the earliest dog breed books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. VINTAGE DOG BOOKS are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork. Red letter 16 pages of full-color maps with index Smyth-sewn 1,616 pp. With Google Apps, you can have your own private network without buying server hardware, knowing how to set up servers, or worrying about maintenance. Google provides all of the expensive infrastructure, IT management, mail servers, chat system, administrative tools, etc., to create an extranet at no cost to you. Well, almost no cost; it does require that you have your own domain name for your web site. This Short Cut explains how to acquire, configure and administer your own domain using Google Apps. It discusses configuration options that are both domain-wide and user specific. It also covers what you'll need to do to migrate an existing domain to Google Apps. Class-tested and coherent, this textbook teaches classical and web information retrieval, including web search and the related areas of text classification and text clustering from basic concepts. It gives an up-to-date treatment of all aspects of the design and implementation of systems for gathering, indexing, and searching documents; methods for evaluating systems; and an introduction to the use of machine learning methods on text collections. All the important ideas are explained using examples and figures, making it perfect for introductory courses in information retrieval for advanced undergraduates and graduate students in computer science. Based on feedback from extensive classroom experience, the book has been carefully structured in order to make teaching more natural and effective. Slides and additional exercises (with solutions for

lecturers) are also available through the book's supporting website to help course instructors prepare their lectures. The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self. The first major translation of the Christian Scriptures from the original languages to be undertaken since the King James Version (1611), the Revised Standard Version debuted in 1952 to simultaneous acclaim and condemnation. Mainline Protestants and Roman Catholics lauded the new translation, while many evangelicals villified it.
