She has established the monarchy as a resilient and alluring institution. But who will define the next seventy years. So much has been written about Princes William and Harry, yet so little is really known about them. In this biography of the two brothers, Ingrid Seward examines the

extraordinary lives of the two men who are second and third in line to the British throne. From the privileged childhood, through the trauma of their parents' divorce and subsequent tragic death of their mother, to the tabloid gossip and scandals of late, William and Harry have always fascinated. This account features interviews with close personal friends, giving an intimate insight into their lives. WITH EXCLUSIVE PICTURES BY ARTHUR EDWARDS MBE. With the world watching, Prince George Alexander Louis of Cambridge, third in the line of succession to the throne, was born on 22 July 2013. The next day, his proud parents stepped out of St Mary's Hospital, London to present their baby to the excited crowds. From the beginning, the world had watched with bated breath as the charming prince and his future bride overcame the struggles of university, rumours and a brief breakup before finally reconciling and becoming engaged. The royal wedding in 2011 - watched by an incredible estimated 2 billion people worldwide - was a defining moment, not only in their young lives, but also for the perception of the monarchy. When the Palace announced the Duchess's much-anticipated pregnancy in 2012, a public frenzy surrounded the arrival of the heir to the throne. Now that the Duke has left the military to focus on his royal duties and charity work, there is already speculation as to whether George will follow in his father's footsteps, with a passion for wildlife and conservation. As well as a history of the young couple's romantic relationship, this in-depth book chronicles the next chapter of this modern-day fairytale and is packed with beautiful photographs, fascinating facts and expert analysis. An intriguing insight and unrivalled souvenir, this is an essential read for royalists and romantics. **alike BIOGRAPHY & AUTOBIOGRAPHY.** Kate Middleton is one of the most adored and admired royals at any time. This stunning book tells her life story in full colour imagery and with a specific focus on special events and people in her life. A behind-the-scenes look into the life of Meghan Markle and her romance with Prince Harry—a dishy, delightful must-read filled with exclusive insights for anyone obsessed with the Royal Family. Leslie Carroll's books on royalty are “an irresistible combination of People Magazine and the History Channel.”—Chicago Tribune When Prince Harry of Wales took his American girlfriend, Meghan Markle, to have tea with his grandmother the queen, avid royal watchers had a hunch that a royal wedding was not far off. That prediction came true on November 27, 2017, when the gorgeous, glamorous twosome announced their engagement to the world. As they prepare to tie the knot in a stunning ceremony on May 19, 2018, that will be unprecedented in royal history, people are clamoring to know more about the beautiful American who captured Prince Harry's heart. Born and raised in Los Angeles to a white father of German, English, and Irish descent and an African American mother whose ancestors had been enslaved on a Georgia plantation, Meghan has proudly embraced her biracial heritage. In addition to being a star of the popular television series *Suits*, she is devoted to her humanitarian work—a passion she shares with Harry. Though Meghan was married once before, Prince Harry is a modern royal, and the Windsors have welcomed her into the tight-knit clan they call “The Firm.” Even a generation ago, it would have been unthinkable, as well as impermissible, for any member of Great Britain's royal family to consider marrying someone like Meghan. Professional actresses were considered scandalous and barely respectable. And the last time an American divorcee married into the Royal Family, it

provoked a constitutional crisis! In *American Princess*, Leslie Carroll provides context to Harry and Meghan's romance by leading readers through centuries of Britain's rule-breaking royal marriages, as well as the love matches that were never permitted to make it to the altar; followed by a never-before-seen glimpse into the little-known life of the woman bringing the Royal Family into the 21st century; and her dazzling, thoroughly modern romance with Prince Harry. The editor-in-chief of "Majesty" magazine presents a biography of the British consort to discuss his aristocratic childhood in Paris, more than seven-decade marriage to Elizabeth II, and loyal service as a statesman and philanthropist **NEW YORK TIMES BESTSELLER** • Perfect for fans of *The Crown*, this magisterial biography of Queen Elizabeth II is a close-up view of the woman we've known only from a distance—and a captivating window into the last great monarchy. From the moment of her ascension to the throne in 1952 at the age of twenty-five, Queen Elizabeth II has been the object of unparalleled scrutiny. But through the fog of glamour and gossip, how well do we really know the world's most famous monarch? Drawing on numerous interviews and never-before-revealed documents, acclaimed biographer Sally Bedell Smith pulls back the curtain to show in intimate detail the public and private lives of Queen Elizabeth II, who has led her country and Commonwealth through the wars and upheavals of the last sixty years with unparalleled composure, intelligence, and grace. In *Elizabeth the Queen*, we meet the young girl who suddenly becomes "heiress presumptive" when her uncle abdicates the throne. We meet the thirteen-year-old Lilibet as she falls in love with a young navy cadet named Philip and becomes determined to marry him, even though her parents prefer wealthier English aristocrats. We see the teenage Lilibet repairing army trucks during World War II and standing with Winston Churchill on the balcony of Buckingham Palace on V-E Day. We see the young Queen struggling to balance the demands of her job with her role as the mother of two young children. Sally Bedell Smith brings us inside the palace doors and into the Queen's daily routines—the "red boxes" of documents she reviews each day, the weekly meetings she has had with twelve prime ministers, her physically demanding tours abroad, and the constant scrutiny of the press—as well as her personal relationships: with Prince Philip, her husband of sixty-four years and the love of her life; her children and their often-disastrous marriages; her grandchildren and friends. Praise for *Elizabeth the Queen* "An excellent, all-embracing new biography."—*The New York Times* "[An] imposing, yet nimbly written, biography [that] dwarfs the field . . . a most satisfying and enjoyable read, one to be savored at length."—*Minneapolis Star Tribune* "Fascinating . . . After sixty years on the throne, the monarch of Britain is better known for her poker face than for sly wit or easy charm. Yet in biographer Sally Bedell Smith's *Elizabeth the Queen*, Her Majesty sparkles with both."—More "[A] smart and satisfying book."—*Los Angeles Times* The magisterial life of the woman whose family's personal intrigues, romances and political rivalries have shaped much of post-war British history. William and Harry is a fascinating insight into the lives and loves of two extraordinary young men who have captured not only the hearts and minds of not only the British public, but those the world over. This is the definitive book about the princes, bringing their story right up to date. It is the tale of two brothers who have carried the legacy of their mother, Diana, Princess of Wales, into the twenty-first century and on whom the future

of the House of Windsor largely depends. Drawing on her unique set of contacts Katie Nicholl recounts the royal brothers' extraordinary lives and reveals William and Harry's real characters as they become front-line soldiers and modern princes. Through her network of sources, some of which have agreed to speak for the very first time, Katie tells the story of one of Prince William's earliest romances, and his struggle with his destiny as a future King of England. As a royal wedding between Prince William and Kate Middleton seems more probable, Katie has spoken to a wealth of contacts close to the couple who reveal how their love affair really started at St Andrews, the hurdles the pair overcame and the challenges they still face. She recounts the story of Harry's time at Eton, his relationship with Chelsy Davy, and his three months he spent on the front line in Afghanistan. She analyses William and Harry's complex relationship with their father, and the woman who will one day become Queen Camilla. She talks to their friends, contemporaries and confidants to paint a unique and revealing portrait of the two most famous brothers in the world. Discover untold secrets with this extraordinary memoir of drama and tragedy by Anne Glenconner—a close member of the royal circle and lady-in-waiting to Princess Margaret. Anne Glenconner has been at the center of the royal circle from childhood, when she met and befriended the future Queen Elizabeth II and her sister, the Princess Margaret. Though the firstborn child of the 5th Earl of Leicester, who controlled one of the largest estates in England, as a daughter she was deemed "the greatest disappointment" and unable to inherit. Since then she has needed all her resilience to survive court life with her sense of humor intact. A unique witness to landmark moments in royal history, Maid of Honor at Queen Elizabeth's coronation, and a lady in waiting to Princess Margaret until her death in 2002, Anne's life has encompassed extraordinary drama and tragedy. In Lady in Waiting, she will share many intimate royal stories from her time as Princess Margaret's closest confidante as well as her own battle for survival: her broken-off first engagement on the basis of her "mad blood"; her 54-year marriage to the volatile, unfaithful Colin Tennant, Lord Glenconner, who left his fortune to a former servant; the death in adulthood of two of her sons; a third son she nursed back from a six-month coma following a horrific motorcycle accident. Through it all, Anne has carried on, traveling the world with the royal family, including visiting the White House, and developing the Caribbean island of Mustique as a safe harbor for the rich and famous—hosting Mick Jagger, David Bowie, Raquel Welch, and many other politicians, aristocrats, and celebrities. With unprecedented insight into the royal family, Lady in Waiting is a witty, candid, dramatic, at times heart-breaking personal story capturing life in a golden cage for a woman with no inheritance. New York Times Bestseller USA Today Bestseller The Sunday Times Bestseller The Globe and Mail Bestseller ABA Indie Bestseller The Times (UK) Memoir of the Year One of Newsweek's Most Anticipated Books of 2020 With her glossy dark hair, classic looks, natural appearance and cut-glass accent, Kate Middleton displays all the poise and breeding expected from the wife-to-be of the heir to the throne. Sophisticated beyond her years, Kate has charmed William's louche circle of friends as well as the House of Windsor. Yet behind her polished veneer lies the extraordinary tale of an impoverished working-class family that overcame deprivation and adversity to rise to the upper echelons of society. Claudia Joseph has spoken to members of Kate's family and friends,

who have provided an intriguing insight into the extraordinary journey her family has made from the mining villages of Durham to the gates of Buckingham Palace. Drawing on exclusive interviews and containing previously unpublished photographs, this is the authoritative account of Kate Middleton's life so far. A Simon & Schuster eBook. Simon & Schuster has a great book for every reader. Vanity Fair Royals correspondent and bestselling author of William and Harry and Kate explores the remarkable life and reign of Queen Elizabeth II and the legacy she has handed down after her death to the next generation. For seventy years, Queen Elizabeth ruled over an institution and a family. During her lifetime she was constant in her desire to provide a steady presence and to be a trustworthy steward of the British people and the Commonwealth. In the face of her uncle's abdication, in the uncertainty of the Blitz, and in the tentative exposure of her family and private life to the public via the press, Elizabeth became synonymous with the crown. ? But times change. Recent years have brought grief and turmoil to the House of Windsor, and even as England celebrated the Queen's Platinum Jubilee, there were calls for a changing of the guard. In *The New Royals*, journalist Katie Nicholl provides a nuanced look at Elizabeth's remarkable and unrivalled reign, with new stories from Palace courtiers and aides, documentarians, and family members. She examines King Charles and Queen Consort Camilla's decades in waiting and beyond—where “The Firm” is headed as William and Kate present the modern faces of an ancient institution. In the wake of Harry and Meghan leaving the Royal Family and Prince Andrew's spectacular fall from grace, the royal family must reckon with its history, the light and the dark, in order to chart a course for Britain beyond its Queen and to show that it is an institution capable of leadership in an ever-changing modern world. When Princess Elizabeth became Queen on 6 February 1952, following the death of her father, George VI, few could have anticipated that she would go on to become Britain's longest-reigning monarch; a figure revered around the world for her wisdom, dedication and sense of duty. Seventy years on, and Her Majesty's Platinum Jubilee will see the nation come together to celebrate a truly historic landmark. Over a special, four-day bank holiday weekend in early June 2022, millions of well-wishers from the UK, the Commonwealth and beyond will take part in a spectacular mixture of traditional pageantry, technological displays and public events. The highlight of the weekend's celebrations will be the Platinum Jubilee Pageant, which will see 3,000 performers and participants from across the UK and the Commonwealth parade past Buckingham Palace and up The Mall in front of vast crowds and the world's media. Accompanying this unique and joyous occasion, *Her Majesty The Queen: The Official Platinum Jubilee Pageant Commemorative Album* charts the highs and lows of The Queen's 70-year reign and explores how Her Majesty has provided the country and Commonwealth with a lifetime of leadership; from her steadfast presence during the Second World War through to her unifying influence at a current time of political, economic and social turbulence. Featuring more than 250 photographs from throughout The Queen's life, this fully illustrated hardback publication tells the story of Her Majesty's reign in beautiful detail, presenting the reader with a unique window into her decades of service, and one of the most extraordinary lives of this or any other era. Best-selling author Tom Bower reveals the power, passion and defiance of Prince Charles. Few heirs to the throne have suffered as much humiliation as Prince Charles. Despite his hard

work and genuine concern for the disadvantaged, he has struggled to overcome his unpopularity. After Diana's death, his approval rating crashed to 4% and has been only rescued by his marriage to Camilla. Nevertheless, just one third of Britons now support him to be the next king. Many still fear that his accession to the throne will cause a constitutional crisis. That mistrust climaxed in the aftermath of the trial of Paul Burrell, Diana's butler, acquitted after the Queen's sensational 'recollection'. In unearthing many secrets surrounding that and many other dramas, Bower's book, relying on the testimony from over 120 people employed or welcomed into the inner sanctum of Clarence House, reveals a royal household rife with intrigue and misconduct. The result is a book which uniquely will probe into the character and court of the Charles that no one, until now, has seen. AS SEEN IN THE TIMES AND UPDATED WITH NEW MATERIAL The Sunday Times and New York Times bestseller 'THE ROYAL BOOK OF THE YEAR' Daily Mail THIS CRISIS IS AS BIG AS THE ABDICATION – SAYS LACEY, HISTORICAL ADVISOR TO THE CROWN. NEW YORK TIMES BESTSELLER • The “addictively readable” (The Washington Post) inside story of the British royal family’s battle to overcome the dramas of the Diana years—only to confront new, twenty-first-century crises “Frothy and forthright, a kind of Keeping Up with the Windsors with sprinkles of Keats.”—The New York Times (Notable Book of the Year) ONE OF THE BEST BOOKS OF THE YEAR: The Washington Post “Never again” became Queen Elizabeth II’s mantra shortly after Princess Diana’s tragic death. More specifically, there could never be “another Diana”—a member of the family whose global popularity upstaged, outshone, and posed an existential threat to the British monarchy. Picking up where Tina Brown’s masterful The Diana Chronicles left off, The Palace Papers reveals how the royal family reinvented itself after the traumatic years when Diana’s blazing celebrity ripped through the House of Windsor like a comet. Brown takes readers on a tour de force journey through the scandals, love affairs, power plays, and betrayals that have buffeted the monarchy over the last twenty-five years. We see the Queen’s stoic resolve after the passing of Princess Margaret, the Queen Mother, and Prince Philip, her partner for seven decades, and how she triumphs in her Jubilee years even as family troubles rage around her. Brown explores Prince Charles’s determination to make Camilla Parker Bowles his wife, the tension between William and Harry on “different paths,” the ascendance of Kate Middleton, the downfall of Prince Andrew, and Harry and Meghan’s stunning decision to step back as senior royals. Despite the fragile monarchy’s best efforts, “never again” seems fast approaching. Tina Brown has been observing and chronicling the British monarchy for three decades, and her sweeping account is full of powerful revelations, newly reported details, and searing insight gleaned from remarkable access to royal insiders. Stylish, witty, and erudite, The Palace Papers will irrevocably change how the world perceives and understands the royal family. William and Harry is a fascinating insight into the lives and loves of two extraordinary young men who have captured not only the hearts and minds of not only the British public, but those the world over. This is the definitive book about the princes, bringing their story right up to date. It is the tale of two brothers who have carried the legacy of their mother, Diana, Princess of Wales, into the twenty-first century and on whom the future of the House of Windsor largely depends. Drawing on her unique set of contacts Katie Nicholl recounts the royal

brothers' extraordinary lives and reveals William and Harry's real characters as they become front-line soldiers and modern princes. Through her network of sources, some of which have agreed to speak for the very first time, Katie tells the story of one of Prince William's earliest romances, and his struggle with his destiny as a future King of England. As a royal wedding between Prince William and Kate Middleton seems more probable, Katie has spoken to a wealth of contacts close to the couple who reveal how their love affair really started at St Andrews, the hurdles the pair overcame and the challenges they still face. She recounts the story of Harry's time at Eton, his relationship with Chelsy Davy, and his three months he spent on the front line in Afghanistan. She analyses William and Harry's complex relationship with their father, and the woman who will one day become Queen Camilla. She talks to their friends, contemporaries and confidants to paint a unique and revealing portrait of the two most famous brothers in the world. From the bestselling author of William and Harry and renowned Royal Family news correspondent Katie Nicholl, comes the first in-depth biography of Kate Middleton, Duchess of Cambridge. Katie Nicholl, bestselling author and royal correspondent for The Mail on Sunday, gives an inside look into the life of the future Queen of England, Kate Middleton. Since becoming Duchess Catherine of Cambridge in 2011, Middleton has captivated royals fans around the world and now, Nicholl delivers the story of her early life, first romances, and love with Prince William. Nicholl will reveal new details on Middleton's initiation into royal life and, of course, her first pregnancy. 'There are so many laughs in this book, you almost forget how upsetting capitalism is' Simon Amstell A naked Russian oligarch is spanking me in his basement. His weapon is a birch branch, the setting his luxurious home sauna. Above us is 30,000 square feet of one of Moscow's most obscene private homes, an original Damien Hirst above the fireplace, a vacuum cleaning system built into the skirting boards. Invisible speakers serenade us with a desolate pan pipe cover of 'Bridge Over Troubled Water'. A light display rotates kaleidoscopically, illuminating the oligarch's genitals in a variety of unexpected hues. Everyone is silent. Then the oligarch's son Nikita looks at me with a mysterious smile. 'Now my mother will bring us honey.' Matt Knott spent over a decade traveling the globe as a private tutor. He has taught Shakespeare in Moscow, times tables in Tuscany, and is still trying to figure out how to explain long division. With brilliant honesty and wit, he takes us inside a world most of us only glimpse speeding past in a luxury SUV. Unfolding across four continents and featuring a colourful cast of butlers, billionaires and yummy mummies, this is a hilarious and touching chronicle of an unforgettable time. The most intimate and informative portrait yet of Prince Harry, from royal expert Katie Nicholl, author of the bestselling William and Harry and Kate. From his earliest public appearances as a mischievous redheaded toddler, Prince Harry has captured the hearts of royal enthusiasts around the world. In Harry, Britain's leading expert on the young royals offers an in-depth look at the wayward prince turned national treasure. Nicholl sheds new light on growing up royal, Harry's relationship with his mother, his troubled youth and early adulthood, and how his military service in Afghanistan inspired him to create his legacy, the Invictus Games. Harry: Life, Loss, and Love features interviews with friends, those who have worked with the prince, and former Palace aides. Nicholl explores Harry's relationship with his family, in particular, the Queen, his father, stepmother,

and brother, and reveals his secret "second family" in Botswana. She uncovers new information about his former girlfriends and chronicles his romance and engagement to American actress Meghan Markle. Harry is a compelling portrait of one of the most popular members of the royal family, and reveals the inside story of the most intriguing royal romance in a decade. From the bestselling author of William and Harry and renowned Royal Family news correspondent Katie Nicholl, comes the first in-depth biography of Kate Middleton, Duchess of Cambridge. Katie Nicholl, bestselling author and royal correspondent for The Mail on Sunday, gives an inside look into the life of the future Queen of England, Kate Middleton. Since becoming Duchess Catherine of Cambridge in 2011, Middleton has captivated royals fans around the world and now, Nicholl delivers the story of her early life, first romances, and love with Prince William. Nicholl will reveal new details on Middleton's initiation into royal life and, of course, her first pregnancy.

INSTANT INTERNATIONAL BESTSELLER * NEW YORK TIMES BESTSELLER * #1 SUNDAY TIMES BESTSELLER The first, epic and true story of the Duke and Duchess of Sussex's life together, finally revealing why they chose to pursue a more independent path and the reasons behind their unprecedented decision to step away from their royal lives, from two top royal reporters who have been behind the scenes since the couple first met. Finding Freedom is complete with full color photographs from Harry and Meghan's courtship, wedding, Archie's milestones, and many more unforgettable moments. When news of the budding romance between a beloved English prince and an American actress broke, it captured the world's attention and sparked an international media frenzy. But while the Duke and Duchess of Sussex have continued to make headlines—from their engagement, wedding, and birth of their son Archie to their unprecedented decision to step back from their royal lives—few know the true story of Harry and Meghan. For the very first time, Finding Freedom goes beyond the headlines to reveal unknown details of Harry and Meghan's life together, dispelling the many rumors and misconceptions that plague the couple on both sides of the pond. As members of the select group of reporters that cover the British Royal Family and their engagements, Omid Scobie and Carolyn Durand have witnessed the young couple's lives as few outsiders can. With unique access and written with the participation of those closest to the couple, Finding Freedom is an honest, up-close, and disarming portrait of a confident, influential, and forward-thinking couple who are unafraid to break with tradition, determined to create a new path away from the spotlight, and dedicated to building a humanitarian legacy that will make a profound difference in the world. The British monarchy may be over a thousand years old, but the House of Windsor dates only from 1917, when, in the middle of the First World War that was to see the demise of the major thrones of continental Europe, it rebranded itself from the distinctly Germanic Saxe-Coburg-Gotha to the homely and familiar Windsor. By redefining its loyalties to identify with its people and country rather than the princes, kings and emperors of Europe to whom it was related by birth and marriage, it set the monarchy on the path of adaptation, making itself relevant and allowing it to survive. Since then, the fine line trodden by the House of Windsor between ancient and modern, grandeur and thrift, splendour and informality, remoteness and accessibility, and influence and neutrality has left it more secure and its appeal more universal today than ever. Following the royal

wedding, the Diamond Jubilee and the imminent birth of Kate and William's first baby, popular sentiment towards the royal family has rarely been higher. At the centre of this surge in affection is a woman who has captured the heart of a nation and who, at the side of her husband, Prince William, is ushering in a new dawn for the United Kingdom's reigning family. For, due to planned amendments to the rules of accession to the British Crown, their first child, regardless of gender, will succeed William to the throne. This biography explores the life of the woman who has done so much to revitalize the public image of the royal family, covering her early years, her family, her time at St Andrews University and her meeting with Prince William, their early relationship and its trials, the wedding and her new official role, her style, and, of course, her pregnancy. Besides being the perfect book for admirers of this remarkable young woman, *Kate: A Biography* marks a crucial moment in the history of the royal line. A timely and revelatory new biography of Queen Elizabeth (and her family) exploring how the Windsors have evolved and thrived, as the modern world has changed around them. Clive Irving's stunning new narrative biography *The Last Queen* probes the question of the British monarchy's longevity. In 2021, the Queen Elizabeth II finally appears to be at ease in the modern world, helped by the new generation of Windsors. But through Irving's unique insight there emerges a more fragile institution, whose extraordinarily dutiful matriarch has managed to persevere with dignity, yet in doing so made a Faustian pact with the media. *The Last Queen* is not a conventional biography—and the book is therefore not limited by the traditions of that genre. Instead, it follows Elizabeth and her family's struggle to survive in the face of unprecedented changes in our attitudes towards the royal family, with the critical eye of an investigative reporter who is present and involved on a highly personal level. ****THE INSTANT NEW YORK TIMES BESTSELLER**** Veteran style journalist Elizabeth Holmes expands her popular Instagram series, *So Many Thoughts*, into a nuanced look at the fashion and branding of the four most influential members of the British Royal Family: Queen Elizabeth II; Diana, Princess of Wales; Catherine, The Duchess of Cambridge; and Meghan, The Duchess of Sussex. Kate Middleton and Meghan Markle are global style icons, their every fashion choice chronicled and celebrated. With all eyes on them, the duchesses select clothes that send a message about their values, interests, and priorities. Their thoughtful sartorial strategies follow in the footsteps of Queen Elizabeth II and Diana, Princess of Wales, two towering figures known for using their personal style to great acclaim. With one section devoted to each woman, *HRH* is a celebration of their stories and their style, pairing hundreds of gorgeous photographs with extensive research. A picture emerges of the British monarchy's evolution and the power of royal fashion, showing there's always more than what meets the eye. From royal expert Katie Nicholl, author of the bestselling *William and Harry* and *Kate* comes the most intimate and informative portrait yet of Prince Harry, his marriage to Meghan Markle, and how their union is modernizing the Royal Family. From his earliest public appearances as a mischievous redheaded toddler, Prince Harry has captured the hearts of royal enthusiasts around the world, while his marriage to Meghan Markle has only endeared him further. In *Harry and Meghan*, Britain's leading expert on the young royals offers an in-depth look at the wayward prince turned national treasure. Nicholl sheds new light on growing up royal, Harry's relationship with his mother, his troubled youth and

early adulthood, and how his military service in Afghanistan inspired him to create his legacy, the Invictus Games. She uncovers new information about Harry's past relationships and reveals the true story of his romance with Meghan Markle, the smart and spirited American who captured his heart. *Harry and Meghan: Life, Loss, and Love* features interviews with friends, those who have worked with the prince, and former Palace aides. Nicholl reveals behind-the-scenes details about the run up to the couple's spectacular wedding day, their first tours as a married couple, and their preparations for the arrival of the youngest new royal. *Harry and Meghan* is a compelling portrait of the Royal Family's most popular royal couple and the story of the most gripping royal romance in a decade. Previously published as *Harry: Life, Loss, and Love*. For more than 200 years the younger members of the British royal family – including future monarchs – have lived at Kensington Palace, alongside royal aunts and uncles, distant cousins and assorted aristocratic eccentrics. Kensington Palace has been the scene of countless bizarre events – here, for example, the young Queen Victoria was held a virtual prisoner for eighteen years; and it was from Kensington Palace that Queen Caroline ran the country while her husband George II moved his pictures around. In more recent times, Kensington Palace was famously the scene of Charles and Diana's nightmare marriage and Charles's serial adulteries. But then Kensington Palace has a long history of royal philandering. George II installed his wife and mistress in the palace, for example, and made his mistress sleep in a room so damp there were said to be mushrooms growing on the walls. And then there were the eccentrics. George III's sixth son, Augustus, Duke of Sussex, became a virtual recluse at the palace. He collected hundreds of clocks and mechanical toys, thousands of early Bibles and dozens of songbirds that were allowed to fly freely through the royal apartments. Today, the palace is home to the future King William and his wife Catherine, and until recently home to the newly married Duke and Duchess of Sussex, Harry and Meghan. The palace has been described as a royal menagerie, a hive of industrious freeloaders, an ant heap and even a lunatic asylum. Tom Quinn takes the reader behind the official version of palace history to discover intriguing, sometimes wild, often scandalous, but frequently heart-warming stories. This compelling volume focuses on the life of Prince William and Duchess Kate. The book begins by delving into both Will and Kate's childhoods. It then moves into their college years where they met and became a couple and eventually engaged. The book ends with their marriage, the birth of Prince George, and settling into their royal duties as the future king and queen of England. Prince William, Duke of Cambridge, is one of the world's most famous faces destined to one day lead the ancient institution of the British monarchy as King. Determined to do the right thing and to serve his country as his grandmother, The Queen, has done, William has created a public persona of a loving husband to Catherine and devoted father of three to George, Charlotte and Louis. Calm, balanced, and determined, he is perceived as passionate about the environment and the animal species that are facing extinction on our planet and, indeed the planet itself. He, along with his wife, have worked tirelessly too to try to end the stigma of mental health. He ticks all the right boxes as the future King. In private, however, those close to him say William, while being a dedicated servant of the Crown can be off-hand and volatile, defying his calm, family-guy demeanour. It is this chameleon-like characteristic that makes his father,

Prince Charles, tread carefully when dealing with his son and heir. Theirs has been a complex relationship - indeed it was with Harry that Charles enjoyed a closer relationship before he bolted to America with new wife Meghan. William demands deference from those royally ranked below him, but in truth when looking upwards, he rarely gives it. Robert Jobson's new biography provides a definitive account and insight into the life of the Duke of Cambridge as he approaches his milestone birthday. At a key point in the history of the modern British monarchy, the author explores the complex character of the man who will follow his father Charles as King, his beliefs and thoughts, to reveal what kind of monarch William V will be. Published to coincide with William's 40th birthday. With 16 pages of colour photographs. Thrust into the global spotlight on her engagement to Prince William, Kate wore a sapphire blue wrap dress by London-based label Issa that promptly sold out. It was the first step in Kate's evolution to become the modern royal style icon she is today – the Duchess of Cambridge. In the decade since, Kate has become the Duchess of Cambridge, a future Queen and a mother of three. Her outfits range from high street to haute couture, with women worldwide fascinated by her style and eager to copy it. The Duchess has used her clothing to make diplomatic gestures, to send messages of solidarity and to show respect. One day, her wardrobe underscores her status as a senior royal; the next it's all about being just like any 30-something Mum. But thanks to an explosion of 24/7 news coverage and social media, her choices are analysed more closely than those of any royal before. In this book, Bethan Holt marks the tenth anniversary of Kate's royal life by taking readers on a highly illustrated journey through the Duchess's style evolution. 'A pleasure to read... a timely reminder of the need for service' Telegraph HRH The Duke of Kent has been at the heart of the British Royal Family throughout his life. As a working member of the Royal Family, he has supported his cousin, The Queen, representing her at home and abroad. His royal duties began when, in 1952, at the age of sixteen, he walked in the procession behind King George VI's coffin, later paying homage to The Queen at her Coronation in 1953. Since then he has witnessed and participated in key Royal occasions. He represented The Queen at independence ceremonies from the age of twenty-five, he was riding with her when blanks were fired at Trooping the Colour in 1981, he was the oldest soldier on parade at Remembrance Sunday at the Cenotaph in November 2020 and he was alongside The Queen at her official birthday celebrations in June 2021 as Colonel of the Scots Guards. No member of the Royal Family has spoken extensively of the modern reign and their part in it before. A Royal Life is a unique account based on a series of conversations between the Duke and acclaimed Royal historian Hugo Vickers. It covers some of the most important moments and experiences of the Duke's life, from his upbringing at his family home Coppins in Buckinghamshire, his twenty-one years of army life, his royal tours and events, through to his work for over 140 different organisations, including presenting the trophies at Wimbledon for more than 50 years. Here too are recollections of family members including his mother, Princess Marina, his grandmother, Queen Mary, his cousin, Prince Philip, the Duke of Edinburgh, and his uncle, King George VI. The Duke is a keen photographer and the book contains never before seen photographs from his private collection. Other members of the Royal Family contribute their memories, including his wife, the Duchess of Kent, the Duke's siblings, Princess Alexandra and Prince Michael of

Kent, his son, the Earl of St Andrews, his daughter, Lady Helen Taylor as well as his cousins, Princess Elizabeth of Yugoslavia, Archduchess Helen of Austria and her brother, Hans Veit Toerring. *A Royal Life* is an unprecedented, insightful and remarkable slice of Royal history. They have been dubbed 'the modern royals' by the world's media, and have not only won the hearts and the loyalty of millions of people around the world, but have helped to re-establish the British royal family as an important, and largely admired, presence in national and international affairs. In short, Their Royal Highnesses the Duke and Duchess of Cambridge - also known simply as 'William and Kate' - have done as much as anyone to bring the royal family into the twenty-first century, and to keep it firmly in the national consciousness. The birth of Prince George, their first child, on 22 July 2013, fuelled such a worldwide media and public frenzy that it became the most talked-about event of the year. The birth of a future heir, combined with the historic possibility of the first baby to be born not only to a Queen-in-waiting, but to the son of the much mourned Diana, Princess of Wales, accounted for much of the excitement, but that was stoked by a natural affection for the young couple. From the beginning, the world had watched with bated breath as the charming Prince William and his future bride overcame the struggles of university, rumours and a brief break-up before finally reconciling and becoming engaged. Their ceremonial wedding in 2011 - watched by an incredible estimated 2 billion people worldwide - was a defining moment, not only in their young lives, but also for the perception of the monarchy. The Duke and Duchess of Cambridge have come to embody the spirit and hope of their nation, and their deserved popularity has had a profound effect upon the future of the royal family. As well as a history of the young couple's romantic relationship, this in-depth book chronicles the next chapters in this modern fairy tale, backed by beautiful photographs, fascinating facts and expert analysis. Now completely revised and updated to cover the period from the birth of Prince George to the arrival of the new prince or princess in April 2015, the book is both an intriguing insight into modern royalty, and an unrivalled souvenir. Reveals Shocking Revelations about Prince Harry, Meghan Markle, and the British Royal Family—and the Divisive Rifts Between Them This explosive exposé, *Royals at War*, takes readers inside a riven Buckingham Palace to provide the definitive account of the unfolding abdication crisis of 2020—dubbed Megxit—during which the Duke and Duchess of Sussex, Prince Harry and Meghan Markle, became royal outcasts. Through revealing interviews with royal family insiders, friends, aides, historians, royal watchers, and others with intimate knowledge of The House of Windsor, this tell-all book looks back at the events, motives and crises which led to Harry (sixth in line to the throne) dramatically abandoning his birthright—in a move not seen for nearly a century, when King Edward VIII also gave up the crown for the woman he loved as Europe teetered on the brink of fascism and war. Like Edward and Wallis Simpson, the catalyst for the scandal here is also an ambitious, controversial American woman. Dylan Howard, bestselling author of *Diana: Case Solved* and *Epstein: Dead Men Tell No Tales*, charts how Meghan's relationship with Harry was viewed as controversial from the start—and how her brief honeymoon with the British public began to sour shortly after she and Harry announced in November 2018 that they would be leaving Kensington Palace to move to Frogmore Cottage, an hour outside London. As senior royals expressed disapproval, the public at first

seemed to enjoy the royal spat, with many still supporting Team Meghan—until it emerged that the bill to renovate Frogmore Cottage to Meghan’s lavish expectations would be \$3 million . . . and be picked up by British taxpayers. Finally, in a move nobody saw coming, Harry announced he was turning his back on the role he had been groomed for since birth—giving up his HRH title, repaying the renovation costs of Frogmore Cottage, abandoning his royal duties, and leaving Britain for good. Buckingham Palace reeled. Howard’s unique access and insight into this constitutional crisis will not only address the tensions and tantrums behind closed palace doors, but seek to answer the questions many are still asking: Has Prince Harry ever really recovered from the death of his mother Diana—and the resentment he feels against the institution that tried to destroy her? Why did Meghan, once hailed as a breath of fresh air, rile up the monarchy? Why did she refuse to conform to royal conventions in the way that Catherine did before her? Did the public and media criticism of Meghan go too far? And just how valid are the accusations of racism? How did these modern royals treat the tabloids differently to tradition? And did it backfire? What next for Harry and Meghan? And how will they—and the institution they’ve turned their back on—react to their new lives outside the confines of the Palace and free from the strict codes and conventions that bind all members of the Royal Family? Caught in a trap by virtue of a life entombed in a gilded cage, *Royals at War* answers these questions and more . . . and reveals how Harry’s infatuation with Meghan and desire to modernize the monarchy could yet end in disaster for the House of Windsor. Played out against the cataclysm of the British tabloid’s laser focus on the duchess’ every movement—for good or ill—this is the true story of Harry and Meghan’s split from the Establishment . . . and perhaps just the beginning of a whole new Monarchy, redefined for the modern age. Katie Nicholl, Royal Correspondent for the *Mail on Sunday*, has been at the centre of royal reporting since she joined the newspaper in 2001. There is no one who is more intimately acquainted with the lives and loves of Princes William and Harry. Katie has spoken to a wealth of contacts close to William and Catherine Middleton and reveals how their love affair really started at St Andrews, the hurdles the pair overcame and the challenges they still face. Originally published to great acclaim in 2010 as *William and Harry*, Katie Nicholl has updated and added to her original account of the princes’ lives and recounts the definitive story of William’s royal romance with the young woman destined to become Queen Catherine. **KATE MIDDLETON: The Commoner Who Would Be Queen** In the lead up to the 20th anniversary of his mother’s death, Prince Harry - brother in law to Kate Middleton - made some interesting observations about the monarchy. He firstly said that the younger generation of royals feel that it is their role to modernize the monarchy. In so doing, these royals believe, they will maintain its popularity and sustain its role for doing good. They consider that, by bringing the House of Windsor into line with 21st century thinking, attitudes and lifestyles, they will enhance their own standing. But not for selfish purposes, or for self-aggrandizement. No, for far more altruistic reasons. They feel that from a position of trust and popularity they can do more to support charities, help the poor and suffering and improve the world. These are noble aims, and are to be applauded. But Harry said another thing in the interview. In extending the idea of duty and responsibility to Great Britain, to the Commonwealth and, where possible, the world he

recognized that one day one of the young royals would be monarch themselves. It was just that, none of them wanted to do it. They knew that they would have to, but just as hoovering the sitting room or putting out the bins has to be done but is not much fun, it is a necessary but unappealing job. We can wonder whether this thought was anywhere in the mind of Kate Middleton, Berkshire lass, when she agreed to marry Prince William? And one day become his queen. This is the true story of Kate Middleton, a Berkshire commoner who will one day ascend to the throne. MEGHAN MARKLE AND KATE MIDDLETON: The Wives of Windsor - 2 Books in 1 Featuring... *Meghan Markle*Kate Middleton 2 Great Books in 1! Meghan Markle In 2017, American cable television actress Meghan Markle topped Google's annual list of the most searched actors of the year. This would be her second year in a row. She bested, for example, the likes of box office record-breaking Wonder Woman, Gal Gadot, and the living legend herself, multiple Academy Award winner Meryl Streep. Compared to these two names, Ms. Markle's acting resume is thin. As a matter of fact, for many people, she seemed to have come out of nowhere. Only a handful of things can propel a person from relative obscurity to a name in lights. Even little girls all over the world would know the answer to this - a dashing Prince Charming must have found his Cinderella against all odds. They will marry in a beautiful, lavish ceremony before an adoring public and live happily ever after. Kate Middleton In the lead up to the 20th anniversary of his mother's death, Prince Harry - brother in law to Kate Middleton - made some interesting observations about the monarchy.
