Josh Lake is forced to head home for the holidays after he's suspended from his job in the city, but running into Paisley Sheridan could be exactly what he needed. Not only does she board him at her ranch in exchange for his advertising expertise, but spending the Christmas season with her in Big Sky, Montana, brings more joy than he's felt in a long while. These were the last words written in Lauren Novak's notebook before she was murdered in a strange Florida village. They've never meant anything to the police or to her husband, investigator Markus Novak. In Red Lodge, Montana, a senseless act of vandalism shuts the lights off in the town where Sabrina Baldwin is still trying to adjust to a new home and mourning the loss of her brother, who was a high voltage linesman just like her husband, Jay. As the spring's final snowstorm calls Jay deeper into the mountains, chasing the destruction on the electrical grid, Sabrina is abducted by Garland Webb, the man Markus Novak believes killed his wife. The telegram Samantha Sawyer Rodriguez holds is her key to freedom: her late uncle, Ezra, has left her his ranch in Sweetwater Springs, Montana. At last, she and her young son will have a true home, and she can finally pursue her dreams of raising her prized miniature horses and building a sanctuary for wayward orphans. Prosperous rancher Wyatt Thompson has long coveted that river property. The lovely widow and her adopted sons awaken memories of a shameful past he's struggled to overcome. Yet when Samantha's safety is threatened, he'll risk everything to save the unexpected family he's come to cherish. In this follow-up to *Wild Montana Sky*, her acclaimed USA Today bestselling romance, Debra Holland sweeps listeners back to that majestic, historical landscape in an extraordinary story of redemption, courage, and tender, steadfast love." #1 New York Times bestselling author Nora Roberts surpasses herself once again, with a novel as sweeping and extraordinary as the Montana sky itself... The tragic tale of a Montana family ripped apart by scandal and murder: "a significant and elegant addition to the fiction of the American West" (Washington Post). In the summer of 1948, twelve-year-old David Hayden witnessed and experienced a series of cataclysmic events that would forever change the way he saw his family. The Haydens had been pillars of their small Montana town: David's father was the town sheriff; his uncle Frank was a war hero and respected doctor. But the family's solid foundation was suddenly shattered by a bombshell revelation. The Hayden's Sioux housekeeper, Marie Little Soldier, tells them that Frank has been sexually assaulting his female Indian patients for years—and that she herself was his latest victim. The unforgettable story of a housepainter turned doctor in Big Sky country who finds himself on a darkly funny journey to salvation in this "irrepressibly comic and optimistic" novel (The New York Times Book Review) from the acclaimed author of *Ninety-two in the Shade* and *Cloudbursts* Berl Pickett is living in the small town of Livingston, Montana. The son of Pentecostal rug-shampoos, Pickett has never been the social toast of the town, but when he is accused of negligent homicide in the death of

his former lover, he finds himself ostracized by his colleagues and realizes just how small his little village truly is. But fortunately for Berl, the very thing that sets him apart—his inability to follow the pack—proves to be his saving grace. With this inglorious hero, McGuane has created an unforgettable voyager. After leaving Uncle Chester's homestead claim, orphan Hattie Brooks throws a lasso around a new dream, even bigger than the Montana sky. She wants to be a reporter, knowing full well that a few pieces published in the Arlington News will not suffice. Real reporters must go to Grand Places, and do Grand Things, like Hattie's hero Nellie Bly. Another girl might be stymied by this, but Hattie has faced down a hungry wolf and stood up to a mob of angry men. Nothing can squash her desire to write for a big city newspaper. A letter and love token from Uncle Chester's old flame in San Francisco fuels that desire and Hattie jumps at the opportunity to get there by working as a seamstress for a traveling acting troupe. This could be her chance to solve the mystery of her "scoundrel" uncle and, in the process, help her learn more about herself. But Hattie must first tell Charlie that she will not join him in Seattle. Even though her heart approves of Charlie's plan for their marriage, her mind fears that saying yes to him would be saying no to herself. Hattie holds her own in the big city, literally pitching her way to a byline, and a career that could be even bigger than Nellie Bly's. But can making headlines compensate for the pain of betrayal and lost love? Hattie must dig deep to find her own true place in the world. Kirby Larson once again creates a lovingly written novel about the remarkable and resilient young orphan, Hattie Inez Brooks. Will Hope be able to reach the grieving girl—and her heartbroken new dad, as well—despite the haunting tragedies of her own past? The critically acclaimed author of The Home Place explores the heart and mystery of Big Sky Country in this evocative and atmospheric novel of family, home, love, and responsibility inspired by William Shakespeare's Hamlet. The only son of a cattle rancher, Anthony Fry chafed against the expectation that he would take over the business that had belonged to his family for generations. While his ancestors planted deep roots in the unforgiving Montana soil, Anthony wanted nothing more than to leave Billings for the excitement, sophistication, and culture of city life. After college he fled to New York, hoping to turn his lifelong love of the theater into a career. But New York wasn't the dream Anthony thought it would be. Now, with the unexpected death of his father, Anthony suddenly finds himself back in the place he swore he'd left behind. While the years have transformed the artistic dreamer, they've also changed Billings. His uncle Neal, always the black sheep of the Fry family, has become alarmingly close with Anthony's mother, and a predatory mining company covets the Fry land. Anthony has always wanted out of Montana, away from his father's suffocating expectations. Yet now that he may be freed from the burden of family legacy, he's forced to ask himself what he

truly finds important . . . answers that will ultimately decide his fate. In this unforgettable novel, Carrie La Seur once again captures the breathtaking beauty of the West and its people as she explores the power of family and the meaning of legacy—the burdens we inherit and those we place upon ourselves. At twenty years of age, Nathaniel Maxwell Adams Jr., better known as Nate, fulfills a prophecy he made eleven years prior by moving to Pine Haven. What he hadn't planned in his youth, though, was to become a pastor, especially since his parents adamantly oppose the idea. So, as he shepherds a flock in the growing Montana town, he feels called to another smaller yet no less significant mission field: his mother and father. For years, orphan Hailee Annigan was just a ragamuffin, roaming the Cincinnati streets trying to keep food in the mouths of her two younger brothers and herself. This often meant thieving, which landed her in the Sanctuary of Hope, a home for delinquent youngsters. There, her life changed, thanks to her patient, loving teachers. Now, at eighteen, she pursues a dream to become a teacher herself and bravely accepts a position in Montana. She still has faith that she'll find her brothers again someday, but for now, she's ready to put the past behind her. When Nate and Hailee's paths converge in Pine Haven, their lives begin to overlap in ways they can't ignore. And they must discover if God intends for their destinies to converge, as well. Maybe an agreeable little woman to brighten his house—and warm his bed. A mail-order bride would be one special delivery, he decides. But what he got instead was a surprise package with a firecracker inside named Jennifer Alston. Sassy and opinionated, she was not what he'd expected—but exactly what he needed, in spite of himself! Dear Kelsey: I realise you might be surprised to hear from me . . . Kelsey Byden, divorced at just twenty-six, isn't looking for any more drama. But then she receives a letter from her mother, Naomi. If Kelsey has any hope of a future with Gabe, she must first understand the terrible truth about her past . . . Battle for the Big Sky delves into one of the few competitive races of the 2012 election: the US Senate campaign in Montana. Author David C.W. Parker was granted exceptional access by both candidates over the 21 months preceding the election, allowing him to tell the story of the race in rare and fascinating detail, while also exploring the impact of Citizens United and so-called "dark money" on the campaign. The Montana setting offers readers a view into the rising political influence of the West, the importance of "place" in politics, and the impact of congressional styles and constituent relationships on campaigns and elections. Parker skillfully weaves political analysis into his narrative and places the race in the broader context of congressional elections and the research literature. The Man of Her Dreams Julie Shaw is up to her ears in parade preparations...and cowboys! As the mayor's daughter, she needs to make sure the centennial celebrations for her beloved hometown of Jasper Gulch, Montana, go off without a hitch. Surely that's why she's feeling so flustered. It couldn't have anything to do with the handsome Ryan Travers. Of course she'd noticed the visiting rodeo star with the sparkle in his eye. But Julie is way too sensible to fall for his obvious appeal. As the town gossips about a century-old mystery, Julie's thoughts keep drifting to the charming cowboy. Despite her father's objections, she may soon find herself roped in...by love. Big Sky Centennial: A small town rich in history...and love. The fifteenth anniversary edition of the author's classic memoirs includes a new introduction that provides new information on the making of the book. By the author of *The House of Sky*. "The sky in Montana somehow seems bigger, bluer, and more spectacular than in any other state." Author Sneed B. Collard, III writes, "it's simply because our sky stretches over such an abundance of beauty." In *B is for Big Sky Country* readers will find out where the Going-to-the-Sun Road really takes you and what city the copper capitol dome calls home. *The Life of the Afterlife in the Big Sky State* is a groundbreaking history of death in Montana. It offers a unique, reflective, and sensitive perspective on the evolution of customs and burial grounds. Beginning with Montana's first known burial site, Ellen Baumler considers the archaeological records of early interments in rock ledges, under cairns, in trees, and on open-air scaffolds. Contact with Europeans at trading posts and missions brought new burial practices. Later, crude "boot hills" and pioneer graveyards evolved into orderly cemeteries. Planned cemeteries became the hallmark of civilization and the measure of an educated community. Baumler explores this history, yet untold about Montana. She traces the pathway from primitive beginnings to park-like, architecturally planned burial grounds where people could recreate, educate their children, and honor the dead. *The Life of the Afterlife in the Big Sky State* is not a comprehensive listing of the many hundreds of cemeteries across Montana. Rather it discusses cultural identity evidenced through burial practices, changing methods of interments and why those came about, and the evolution of cemeteries as the "last great necessity" in organized communities. Through examples and anecdotes, the book examines how we remember those who have passed on. *HER MONTANA COWBOY* Sometimes tragedy is a second chance in disguise... He was the one. The one she loved but couldn't have without revealing the truth of her past. That's why she left, why she's stayed away, and why she has to return... Paralyzed by a riding accident, Seth Rowland doesn't want physical therapist Grace Korbit to see him like this. Of all people, why her? But Grace is the best, and if he stands a chance at recovery, she's the one to help him. Maybe if he cooperates he'll be able to walk again, get her to reveal the truth of why she'd left—and convince her to stay. *HER COWBOY SHERIFF* Sheriff Jonas Taggart needs a helping hand with his daughter and Rissa Matthews and her Goth-dressing teen are definitely not it. He can't afford to fall for a woman who doesn't plan to stick around, much less one who can't control her own kid. But the girls become friends, and it isn't long before Jonas's perspective takes a hard hit. Of all the people in the world for him and his daughter to love... why did it have to be them? *PROTECTING THE SHERIFF'S DAUGHTER* With all her heart Carly Taggart wants to be a mother, but without a husband there's only one way she knows to make it happen—become a foster parent. She's signed up, willing, waiting and ready...oh so ready. Liam McKenna is assigned by Carly's sheriff father to keep her out of trouble while the sheriff is away. When he learns of her plan, Liam is sure she's headed for it—lock, stock, and barrel. Foster kids are messed up. Broken. Trouble. He ought to know since he was one. There's no talking sense into Carly, and soon Liam finds himself dragged into the chaos and falling for her despite knowing better. She's a softie, in for a hard fall because those kids aren't hers to keep. But he's sticking around, and maybe once she knows how painful it can be to let them go, she'll drop the nonsense of having kids and—keep him instead? *MONTANA SKIES SERIES: HER MONTANA COWBOY HER COWBOY SHERIFF PROTECTING THE SHERIFF'S DAUGHTER COWBOY MEETS HIS MATCH MONTANA CHRISTMAS SECOND CHANCE HERO THE STONE GAP MOUNTAIN SERIES: THAT SOUTHERN SUMMER NIGHT BLIND MAN'S BLUFF HER UNWANTED PROTECTOR REDEMPTION ROAD THEIR SECRET SNOWBOUND CHRISTMAS OWEN'S RETURN THE REDEEMING LOVE SERIES: HER REDEEMING LOVE HIS REDEEMING LOVE REDEEMING US TENNESSEE TULANES SERIES: HER SNOWBOUND HERO THE REBEL'S SECRET BARGAIN HIS BABY PROPOSAL THE DOCTOR'S NANNY A HERO IN HIDING* Set in the 1860s, a richly woven tapestry of new beginnings, family, love, and hope follows Dianne Chadwick as she, along with her

family, embarks on a perilous wagon train journey to her uncle's ranch in the Montana Territory during which she meets embittered guide Cole Selby. Original.
